Wow! Finally a home improvement professional who knows what he's doing, does it well and communicates with you throughout the process. Thank you Nathan! The work you did on our home is outstanding! We are constantly getting compliments!

“Nathan Carter with The Go To Handyman, is great at taking care of all of the fix-it jobs around the house that you never quite seem to get around to doing yourself. His prices are very reasonable. He even cleans up after himself. But even more important to me, he is also the only repair person that I ever felt comfortable leaving alone in my house when I was not there. That says a lot about Nathan. I highly recommend him.”
