Vehicles can exit the subdivision without gate code or remote.

**Applicant's Name(s):** \_\_\_\_\_

**Applicant's email address:** \_\_\_\_\_

**GLE Property ADDRESS:** \_\_\_\_\_

Street address or legal address (Section/Block/Lot)

Your Gate Access System directory listing will be your last name(s) and first initial(s) up to 15 characters including commas/spaces. A directory keypad is available at front and back entry gates. Guests scroll through the directory to select the household they are visiting, then the Gate Access System dials the phone number YOU provide below (phone number is not displayed on the Gate Access System). You press **9** on your touch-tone phone to open the gate, or press **#** to deny access.

You may request that your directory entry be suppressed or hidden by checking this box:

**PHONE NUMBER for Guest Entry:** ( \_\_\_\_\_ ) \_\_\_\_\_

Include area code. List a local phone number that is answered by a responsible **ADULT** in your household. The responsible **ADULT** must be authorized to admit guests or service providers to your home. Date and times of gate entries **are recorded** for security purposes. Please do **NOT** list out-of-area cell phone numbers.

Special/Temporary Gate Codes

**Event Code:** Gate codes are available for parties, open houses etc. They are good for the date(s) of the event ONLY. GLE owners/residents can email EVENT Gate Code requests to [glepoa@yahoo.com](mailto:glepoa@yahoo.com).

**Construction Gate Code:** Property owner can request a gate code for construction-related subdivision access. Code allows access between 6:00AM - 8:00PM ONLY for vendors, trades people and deliveries. Provide applicant information above and check **TEMPORARY** box here:  then FAX, mail or deliver to Association Mgr. at the address listed above.
